

The ACCYM Choir Tour 2020 task force is now considering requests for host churches for their tour, June 6-13, 2020. We would like to consider all churches who wish to have the Conference Youth Choir worship at their church. If you have any questions, please contact Amy Shores at Ashores@methodistfamily.org. In order to be considered, please return this application to Amy Shores by December 31, 2019.

Needs:

- Space for the Praise Band and their equipment, along with room for the choir (which ranges from 30-50).
- Space to set-up a sound board (we will bring our own sound equipment);
- Access to a screen for projection (or a place for us to set-up our screen);
- People to serve as ushers/greeters
- Clergy member to lead in communion the night of the service, including serving the choir/band before the service, since they will be unable to participate during worship
- Communion Elements for the service.
- Sleeping space at the church for roughly 60 people (we will bring air mattresses!)
- A common space for youth and adults to enjoy fellowship with your church members (and one another.)
- Dinner the evening of worship and breakfast the following morning.
- Shower availability for everyone. Showers can be at the church, a school, an athletic club, but will need to be in a common building (***not in individuals' homes.***)
- If possible, a way to wash our shirts for the next day's performance.

Other Details:

- Services last about an hour, typically from 7-8 pm.
- We will take an offering as part of the service that will go toward off-setting expenses. A portion of the offering also goes toward Youth Service Fund.
- We will bring programs with us to be distributed by the greeters.
- We typically arrive at the church early afternoon. We will set-up our equipment, unpack, practice, and then if possible, eat dinner around 5 pm. It is our preference to shower after the service, and then leave the next morning following breakfast in order to travel to our next stop.
- Once all locations have been decided (by the end of January 2020) will we be in touch with more details in regard to exact times.
